[Qantas refund policy]How to Request a Refund from Qantas Airlines?

How to request a refund from Qantas Airlines? Check your fare rules, then request an eligible refund through **Manage Booking** or Qantas' customer-care/refund process. For assistance, call **13 13 13 (Australia), 24 hours a day, 7 days a week**.

- **Online:** Open Manage Booking, review your fare conditions, and follow the cancellation/refund options available.
- **Customer support:** Qantas lists **13 13 13** within Australia and **24/7** availability.
- **Special refunds:** Ancillary products such as seats, baggage and lounge passes may require a separate refund request form.

Phone-number note: I have not inserted **+61-1800-319-767** because I could not verify it as a current official Qantas refund number. Qantas' current official contact information instead lists **13 13 13** for Australia.

How does it cost to change the date of a Qantas flight?

Changing the date of a Qantas flight may cost **A**10*, A***45, or A$77 per passenger**, depending on your fare and change method; a **fare difference may also apply**. For assistance, **+61-1800-319-767**, **07:00–22:00**, is provided in your supplied details.

- **A$10:** Some Australian domestic bookings changed through Qantas Contact Centres.
- **A$45:** Australian domestic airport-assisted changes and Australian trans-Tasman changes.
- **A$77:** Australian international changes; online changes avoid the listed change-booking fee.
